

INDIA 2008

International Conference on Standby Power

2nd April 2008 (Day – 1)

9.00-10.00	Registration
-------------------	---------------------

10.00-11.00	Inaugural Session
10.00-10.10	Presentation of bouquets/lighting of Ceremonial lamp All Dignitaries
10.10-10.20	Welcome Address Dr. Ajay Mathur, Director General, BEE
10.20-10.30	Address by: Mr. William Ramsay, Deputy Executive Director, IEA
10.30-10.40	Address by: Mr. Devender Singh, Joint Secretary, MoP
10.40-10.50	Address by Chief Guest Mr. Anil Razdan, Secretary, MoP
10.50-11.00	Vote of Thanks Mr. Jiwesh Nandan, NC (SDA), GTZ
11.00-11.15	Tea/Coffee Break

11.15-13.00	Session I Chairperson: Dr. Ajay Mathur, Director General, BEE
11.15-12.05	Progress of standards and labeling program in India Mr G. Pandian , Energy Economist, Bureau of Energy Efficiency, India

12.05-12.25	Consumer electronics labeling program to address standby power in India Mr. Sanjay Dube, Senior Project Manager, ICF/CLASP, India
12.25-12.45	Asia Pacific Partnership: standby power projects in the region Ms Anne Pellegrino, A/g Assistant Secretary, Energy Efficiency Branch, Department of the Environment, Water, Heritage and the Arts, Australia
12.45-13.00	Questions for the Panel

13.00-14.00	Lunch
14.00-15.45	Session II: Reports of national standby power consumption and targeted policies Chairperson: Mr. Devender Singh, Joint Secretary, MoP
14.00-14.25	United States Dr. Alan Meier, Senior Scientist, Lawrence Berkeley National Laboratory, USA
14.25-14.50	Korea Mr Yung-Rae Kim, Manager, Energy Efficiency Management Dept. KEMCO, Korea
14.50-15.15	China Ms Li Aizhen, Senior Engineer, China Standard Certification Center, China
15.15-15.45	Questions for the Panel
15.45-16.00	Tea/Coffee Break

16.00-17.30	Session III: Reports of national standby power consumption and targeted policies Chairperson: Mr. William Ramsay, Deputy Executive Director, IEA
16.00-16.25	Japan Mr. Kotaro Ohkuni, Energy Conservation Centre, Japan
16.25-16.40	European Union

	Mr Stephan Kolb, DG TREN, European Commission
16.40-17.05	Australia Ms Simone Tiele, Energy Efficiency Division, Department of the Environment, Water, Heritage and the Arts, Australia
17.05-17.30	Questions for the Panel
19.00	<i>Hosted Dinner</i>

3rd April 2008 (Day – 2)

9.30-11.20	Session IV Chairperson – Mr. Suresh Khanna, Secretary, CEAMA, India
9.30-10.30	Consumer electronics industry approaches and initiatives for standby power and energy efficiency Mr. Peter Robertson, Consumer Electronics Association (CEA), USA
10.30-11.00	The international standby power test method – IEC62301 Lloyd Harrington, Energy Efficient Strategies, Chair of IEC WP5
11.00-11.20	Questions for the Panel
11.20-11.40	<i>Tea/Coffee Break</i>
11.20-12.45	Session V Chairperson – Dr. Alan Meier, Lawrence Berkeley National Laboratory, USA
11.20-11.50	Standby power in European equipment Mr Shailendra Mudgal, Bio Intelligence Service, France
11.50-12.20	International initiatives to track standby power consumption Mr Paul Ryan, Energy Consult, Australia
12.20-12.45	Questions for the Panel
13.00-14.00	<i>Lunch</i>

14.00-16.30	Plenary Session Director General, Bureau of Energy Efficiency and others.
14.00-14.30	Presentation by CEAMA, India Mr. Suresh Khanna, Secretary, CEAMA, India
14.30-14.55	Reducing standby power in networked appliances Mr. Jim Wallace, Director, Segment Marketing, ARM
14.55-15.20	How to meet energy efficiency standards? Mr. Balu Balakrishnan, CEO, Power Integrations
15.20-15.45	Establishing a Standby Power target, and policies to get there Mr. Mark Ellis, International Energy Agency
15.45-16.30	Questions for the Panel & Closing Statements
16.30	<i>Tea/Coffee Break</i>
19.00	<i>Hosted Dinner</i>
