

**“Task ZERO” - to fulfil the mission
of the DSM-Programme**

Common Fund and common Tasks

- Secretary and advisor
- Informational tools
- Our networks and in particular the local ones run by ExCo-participants
- Dissemination and the extension with the “DSM-University”

Mandatory and builds on both cost-sharing and task-sharing.

The Mission of the DSM Programme is to:

- *Deliver to its stakeholders, **materials that are readily applicable** for them in crafting and implementing policies and measures.*
- *The Programme should also deliver **knowledge and information** about technology, behavioural issues and applications that either **facilitate operations** of energy systems or facilitate necessary **market transformations**.*

Dissemination

	Cost-shared	Task-shared
Improved dissemination by development and running of the DSM University	X	X
Local dissemination and “anchoring” within the areas of the participants and to support them in recruiting the expertise necessary for tasks in which they have decided to participate, but also to gather material of interest for other tasks who need local points of contact for their work (Task-sharing)		X

Stringent work

- The task is lead by the Chair who may delegate responsibilities in particular to the secretary and the vice-chairs and who has the Project Preparatory Committee, PPC, as “steering committee”.
- To ensure that different activities are coherent the Programme secretary is the coordinator for task ZERO. The co-ordinator gathers the necessary information from those concerned in order to produce a work-plan and a budget for the ExCo to decide upon annually.
